

EASY START INSTRUCTIONS:

FIRST:

As an organizer, contact Chief Terry Harris of the Fairview Police Department at 799-2431 to inform him of your interest in organizing a Watch Program in your Neighborhood. Provide the Chief with your Name, Address, Phone Number and Neighborhood's Name. Also let him know you are using the resources you need from this Website [FairviewNeighbors.com]. Chief Harris will offer you his time to schedule with organizers or speak with everyone at a public neighborhood meeting to explain the importance of such a program.

SECOND:

Download & Customize our "Easy To Use Flyer" by going to www.FairviewNeighbors.com/downloads/startflyer.pdf to inform your neighbors of your new Neighborhood Watch Program. This Downloadable Flyer is quickly customized by simply [Clicking] in the appropriate areas and typing in your information.

Distributing Your Completed Flyer: Simply Print all the copies you'll need of your completed Flyer, fold each one & place it **on** your neighbors mailbox. Please do not put it inside the mailbox as this is not lawful.

FINAL POINT:

At your "Kick-Off Meeting", if your neighborhood wishes to purchase Official Neighborhood Watch Street Signs, simply raise, donate or provide Chief Harris with the cost of the signs (\$25.00 each) and the city will place and install them free of charge. From that point forward your Program belongs to your neighborhood to do what best suits the needs of your neighborhood, and no one knows what those needs are better than you. The Police Department will always be there to support your needs & work with you every step of the way!
